

St Wilfrid's Academy 2019/20 Curriculum Offer

Students can be referred to St Wilfrid's Academy on a Part Time or Full Time basis.

On site provision is based around a 'Core' curriculum with bespoke options to personalise their timetable.

In addition, or available separately if required; Accredited, academically tracked and quality assured Vocational Provision can be brokered to supplement the core learning. This service will secure full safeguarding of students and monitoring of academic progress.

This is detailed below for each key stage:

Key Stage 4 - St Wilfrids On Site Provision

Core KS4

Being safe and healthy at work

NCFE level 1 award in health and safety awareness

Key Stage 3 - St Wilfrids On Site Provision

Our KS3 curriculum is topic based, encouraging cross-curricular links between subjects. Each topic is planned to engage and stimulate the children's curiosity and interest through a variety of activities where children learn and apply new skills. Our curriculum is broad and balanced, concentrating on English, Mathematics, Science, ICT, PE, Creative Arts and Technology. At the end of each topic children are given the opportunity to review and evaluate their learning experiences.

Children are taught in mixed ability classes where we offer a balance of child-initiated and adult led learning, guided group work and appropriate individualised support with a keen emphasis on the acquisition of basic literacy and numeracy skills. All children participate in daily literacy and mathematics lessons and each student will be given tailored support in these areas.

All teaching groups are supported with a Thrive Action plan which allows staff to plan activities and use strategies to develop emotional and social skills. Some students will also enjoy activities within individual Thrive Action Plans or other therapeutic sessions such as Draw and Talk, Art therapy, Emotional Literacy Support or Cognitive behaviour therapy.
